

Amy Wheaddon

FOUNDER AND OWNER OF KIDSHINE, LLC

Amy is a board certified, practicing occupational therapist with over 22 years of experience.

She is passionate about supporting children and their families using an individualized strengths-based approach to create a plan to meet a children's specific needs.

Kidshine therapists and staff members work with children who may be experiencing sensory, gross motor, fine motor, or executive functioning challenges through a variety of offerings.

Amy has also created EXERSHINEkids Bootcamp Programs designed to help children build core strength, motor and sensory skills and confidence in a fun environment through play and exercise.
