

Joanne Hanson

**FOUNDER AND DIRECTOR OF
MIRACLE FARM SPEECH THERAPY**

Joanne has been a speech and language
pathologist for 25 years.

She loves working with children and their families
to help each child meet their greatest potential. She
believes “there is nothing more important than
giving someone the power to communicate.”

Miracle Farm’s philosophy is that children make the
most progress when therapy is fun and interactive,
placing their focus on child-centered, play-based
therapy.
